

The historical KRR	The KRR 39.5 and beyond
<p>The Klondike Road Relay would begin in Skagway at 7 p.m. YST.</p>	<p>The race will begin at 8:30 p.m. in Skagway – an hour-and-a-half later than previous races.</p> <p>The adjusted time will allow racers to enjoy the festivities at Rotary Park upon completing the KRR.</p>
<p>If you ran the race, you received a t-shirt.</p>	<p>Participants will not be getting a t-shirt as part of their race package.</p> <p>Instead, our partners at Coast Mountain Sports will host a KRR store with new 39.5 swag.</p> <p>This will allow the KRR to move forward with best practices for environmental responsibility, and keep registration costs affordable.</p> <p>All youth runners will receive a KRR ballcap thanks to Northland Beverages.</p>
<p>There was no adult category to allow participants 18+ to run from Carcross.</p>	<p>The KRR will pilot ½ leg distances in 2022. Adults can make a team that begins running in Carcross on Sept. 10 and finishes at Rotary Peace Park.</p>
<p>An awards ceremony was held at the banquet.</p>	<p>Awards will be presented at Rotary Park.</p> <p>KRR mugs will be awarded to each individual on the fastest team for each category and gender at the Party in the Park.</p> <p>On Sept. 12, the overall male and female leg winners will be celebrated via KRR social media.</p> <p>Fun Factor awards will be given for: best costume, and most enthusiastic social media team, plus more.</p>
<p>An awards banquet and dance were held.</p>	<p>The Party in the Park will replace the banquet and dance.</p>

	<p>It hope to feature, fun and wellness zones, food, music, and a beer garden.</p> <p>Attendees at the Party in the Park can get some epic prizes.</p> <p>There's \$700 worth of New Balance shoe certificates, Air North flights, plus much more.</p> <p>The party will start mid-afternoon and allows the KRR organizers to create a COVID friendly environment.</p>
Had to pay full price for items.	As part of your race kit, participants will receive KRR currency that can be put toward drinks, food, or swag.
Less sponsor involvement for racers.	<p>The list of local sponsors for the KRR continues to grow.</p> <p>Keep your registration confirmation email handy to receive great discounts from our KRR partners.</p>
Registration involved remembering your racer ID.	A new, easier-to-use registration platform has been implemented.
<p>Timing:</p> <p>Results were linked to the KRR database – which has collected and stored years' worth of data.</p> <p>It also provided leg times on race day.</p>	<p>This year, the KRR team is moving toward a new timing system. There may be some hiccups along the way.</p> <p>In 2022, timing may only have two loading points – Carcross and the finish line.</p> <p>Teams will receive their team-times immediately. Individual leg times may take a few days but organizers are working to have this rectified by race day.</p> <p>All the data collected this year, along with past data will be integrated into a new database.</p>
Leg 2 required runners to cross the road twice, in the dark, slowing down traffic.	Checkpoint 3 has moved up the road to improve runner safety. Runners will not have to cross the road.

<p>Runners only had to wear reflective bands when running at night.</p>	<p>Runners will need to provide lights, front and back, along with reflective bands while running at night.</p> <p>If a runner does not have the required lights, they will not be able to leave the checkpoint.</p>
